**SUBMIT**

## Call for proposals!

The World Stroke Academy has been organizing a series of international webinars, as well as e-learning modules, case studies, podcasts and other educational activities to compensate for the loss of face-to-face meetings and conferences and to support clinicians struggling to maintain stroke services and research during the pandemic.

Submit your proposals [here](#)!

## New #MondayTips section on the WSA site!

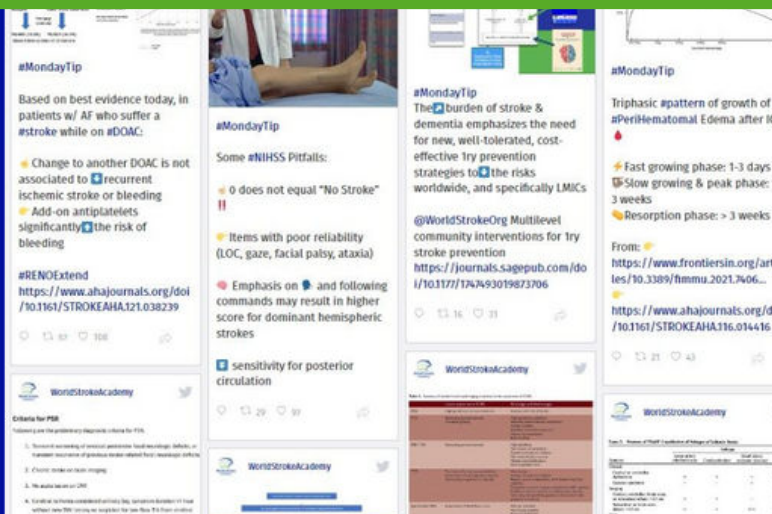

Every Monday, WSA Social Media Leader Dr. Rodrigo Guerrero publishes a #MondayTip on the WSA [WorldStrokeEd](#) Twitter account, covering a specific stroke related topic. You can now find a compilation of our #MondayTips on our WSA site!

<https://world-stroke-academy.org/wsa-information/mondaytips/>

### #MondayTips
